Coming Soon!

"I really wish I had this book 20 years ago."

"A great classroom text or in this case, web guide."

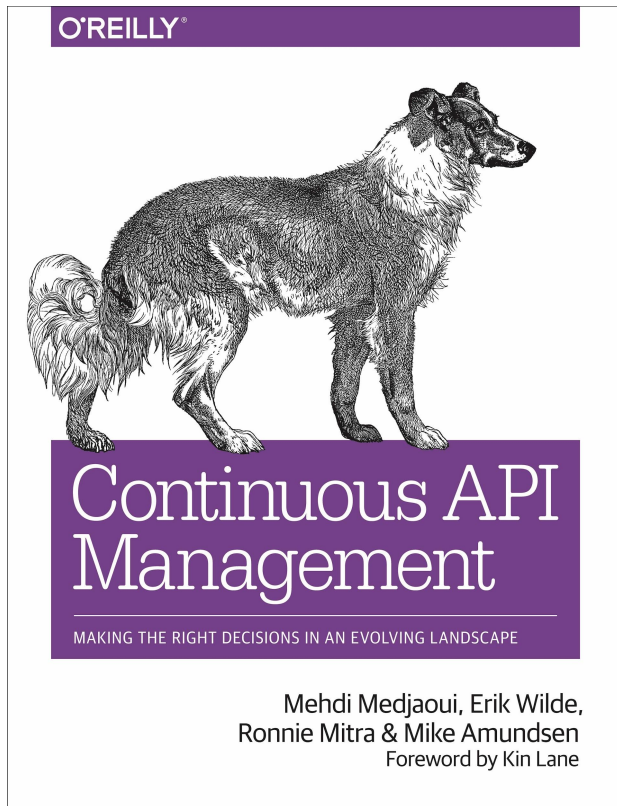

"Useful in a way that doesn't tie it to specific technologies."

<http://g.mamund.com/cambook>

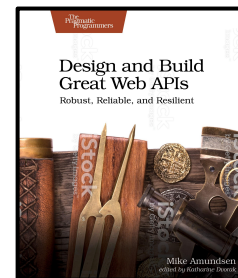

*"A reusable guide to the technology,
business, and politics of doing APIs at
scale within the enterprise."*

-- Kin Lane, API Evangelist

Reminders

- Mute devices
- Feel free to take a break anytime
- Ask questions
- Enjoy the workshop

Let's get started!
